LUMPING DIVISION

With nearly **2 decades** of combined experience, we provide dedicated lumpers (also known as swampers) that play a crucial role on helping the truck drivers. Lumpers efficiently load or unload containers, ensuring that your lead times are fulfilled.

OUR LUMPERS ARE RESPONSIBLE FOR:

- Load and unload goods efficiently
- Break down, repalletize, and wrap pallets
- Ensure shipments are ready for storage, receipt, or dispatch
- Transfer non-palletized loads onto pallets
- Perform inbound and outbound inventory checks
